March Program

Speaker: Louise Staman

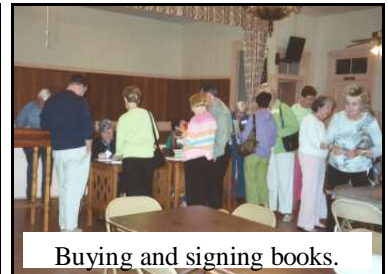

Author Staman speaking as Mrs. Felton.

All were quiet, listened intently, and asked questions. Louise held many spellbound with her portrayal of Rebecca Latimer Felton and readings from her book, "Loosening Corsets". Her presentation was powerful enough to move many to purchase their own copy of either or both of her books; the one above and a children's book "Rupert and the Bag", a book that teaches colors to the young and the old. Pictures show the activity.

Joe Hall has her attention.

Buying and signing books.

April Meeting—Program

SURPRISE SURPRISE SURPRISE

**That is the program for April
A surprise for all
Fun for many
Prizes for a few**

Come see what's up!!!!!!

(These are Tena's exact words.)

Editor's note: Don't call me. I do not know either.

Note of Sympathy

Word has come to the editor that HCC member Jackie Kent has died. Our sympathy goes to Bill and all the family. No other details are known at this time. Suggest you check the Macon paper. Ed:

This will never happen again

At three minutes and four seconds after 2 AM on
On the 6th of May this year, the time and date
will be 02:03:04 05/06/07

How about that 'NUN' sense or
useless information?

Our Concerns

Our president Frances is living it up in Hawaii with family members, but she did break her arm earlier. We presume she is healing well. She will be home on Sunday.

Your editor is no mind reader. So let me know what is happening in the community. Who's sick, who has died, married, had a new baby, etc.

These are re-run from last month.

- Ramona Hunnicutt fell and broke her arm in two places. She was in hopes of attending the meeting in Feb.
- Rita Huhn has "graduated" from rehab center in Virginia where she went after breaking her hip several weeks ago, and is now at her daughter's in Newnan. She's walking carefully these days, but she is walking which is remarkable for a 93 year old lady. (Monie)
- Sec. Karen tells me that Doris Hedgepath is home but still with multiple problems.

**Please buy phone tickets at the meeting
4 for \$1.00**

An Artist Among Us

HCC member (and artist) Tossy Alston points out vintage homes (buildings) in the Howard Community area. Some are no longer standing, but many are, and still in use today. The very large / framed works in the lobby area are her work from many years back. Maybe we could persuade her to give us a program one month to educate the rest of us on what is right under our nose. Next time you are in the building, why not check out the two murals more closely. See how many you can identify.
